Ann Vandervelde

Hot Art: True Colours

Two brushes are better than one in *Forces of Nature* at Petley Jones Gallery (Sep. 25 to Oct. 15; page 78). Behold **acrylic and mixed-media abstracts** by Lynda Kirby and Ann Vandervelde (“Looking for Spring,” **pictured**), exhibiting together for the first time. Also at the gallery: vibrantly hued West Coast scenes by painter Adrian Livesley in *The Tangled Wood* (Sep. 9 to 23).—*Kristina Urquhart*

"Looking for Spring" by Ann Vandervelde is on display at Petley Jones Gallery
